Subject: Donation Supporting the City of Woodland Park Land Acquisition - Pending Grant Funding

To whom it may concern,

I am writing to express my commitment to support the City of Woodland Park and its commendable efforts to acquire the 120-acre Avenger Open Space property for sale to be conserved for public open space land.

I am pleased to pledge a donation of $_____ to contribute to the purchase and maintenance of the open space land. I firmly believe in the benefit to the community the City is striving to achieve, and I am honored to be a part of this meaningful endeavor. This donation is intended to go through a registered nonprofit organization or the City of Woodland Park providing an acknowledgement of donation, which may be claimed as a tax deduction.

I understand that my commitment is contingent upon the City of Woodland Park successfully securing grant funds from Great Outdoors Colorado (GOCO). I appreciate the importance of financial stability and the need for multiple funding sources to achieve a goal as large and as important as this.

I eagerly await the success of the grant application and the subsequent positive impact on local and regional communities that the land acquisition will have.

Sincerely,
